

JULIAN FRENCH BOX EASELS

ORIGINAL JULIAN FRENCH BOX EASELS

A French Easel has never been so beautiful. The established unrivalled features of the Jullian Easel. Crafted from premium European Beechwood. Important metal parts including hinges are riveted to ensure lifetime durability. Superb quality brass plated metal components. Dead ended bolts to prevent nuts being lost. Metal lined drawer and box interior. Internal drawer height of 45 mm (the deepest available in the market place) Integrated moulded feet which will not come off. Easel stands square on the ground when closed without any projections causing it to tilt. Telescopic legs are secured with brass plates each fixed with 4 screws. The drawer retention wooden stop is glued and screwed. Every Jullian easel has an individual serial number. Every Jullian easel is fire branded with the Jullian Paris logo.

FBOXE The Original

FRENCH BOX EASEL JB25

These new easel boxes deliver all the beauty and practicality of the original Jullian easel at an affordable price. Crafted in naturally dried oiled and polished elmwood they have brass fittings with locking parts and adjust easily for height. Each includes a canvas holder and an 28 x 46cm mahogany finish plywood palette. The pullout drawers are metal lined with movable partitions. Each easel also offers a leather handle and leather tagholder.
