

## FREDRIX INKJET CANVAS

All Fredrix Desktop Inkjet Canvas is made especially for desktop printers. Some desktop printers will deliver better quality than others, but Fredrix® Desktop Inkjet Canvas is recommended for use on HP®, Epson®, Lexmark®, Canon® and other printers. The canvas is a fine woven blend of polyflax and cotton, and is specially coated with an acid free acrylic titanium gesso to provide long term archival quality just like Fredrix® Artist Canvas.
